

Delaware and Franklin Counties Coordinated Plan

Commission
Transportation Policy
January 2017

Mid-Ohio Regional
Planning Commission

Coordinated Plan

- Federally required for Section 5310 Enhanced Mobility Funds
 - Locally developed public transit-human services transportation plan to better coordinate existing and future needs
 - Includes public, private, human service transportation providers and members of the public
 - Identify transportation gaps and formulate strategies to better serve individuals with disabilities, older adults, and people with low incomes

Parallel Projects

- Age-Friendly Columbus Initiative
 - Survey results for Franklin County
 - Focus group information related to transportation
- WIC Transportation Study
 - Columbus Public Health
 - Lower income populations & transportation

In Progress

- Age-Friendly survey of older adults (Columbus)
- Transportation survey of older adults and people with disabilities (Delaware County)
- Survey of social service agencies/transportation providers (Delaware County)
- Transportation provider inventory (Franklin & Delaware Counties)
- WIC Transportation Study
- GIS analysis/map creation (Franklin & Delaware Counties)
