FOR IMMEDIATE RELEASE

Greenfield Township (Fairfield County) joins the Mid-Ohio Regional Planning Commission

(Columbus – June 11, 2015) In order to maintain a strong collaboration on regional issues, the Mid-Ohio Regional Planning Commission's (MORPC's) members continue to seek opportunities to grow the organization. Today Greenfield Township's application for membership was approved by the MORPC Board.

Greenfield Township's membership will provide the opportunity for one representative to serve as a voting member at the MORPC Commission meetings.

"We are pleased to welcome Greenfield Township to our membership as we strengthen our collaborative efforts across all levels of local government. Townships are an important segment of our local government partners, and we welcome their voice in our collective efforts to work on regional issues and challenges," said William Murdock, MORPC Executive Director.

The MORPC Board meets 10 times each year to discuss important regional issues, guide the direction of MORPC's work, network with local leaders to discuss common problems, create solutions to shared regional challenges and provide input on funding decisions. Additional benefits of serving on MORPC's Commission include grants and funding opportunities, educational forums, training and seminars, technical assistance and data, policy development, collaboration and networking.

-30-

MORPC is a voluntary association of local governments in Central Ohio serving the region through planning, direct service, public policy information and innovative programming and intergovernmental coordinating services in the areas of transportation, land use, energy conservation, the environment and housing.
