

2016 TRAC APPLICATIONS

Mid-Ohio Regional
Planning Commission

August 2016

Transportation Review Advisory Council (TRAC)

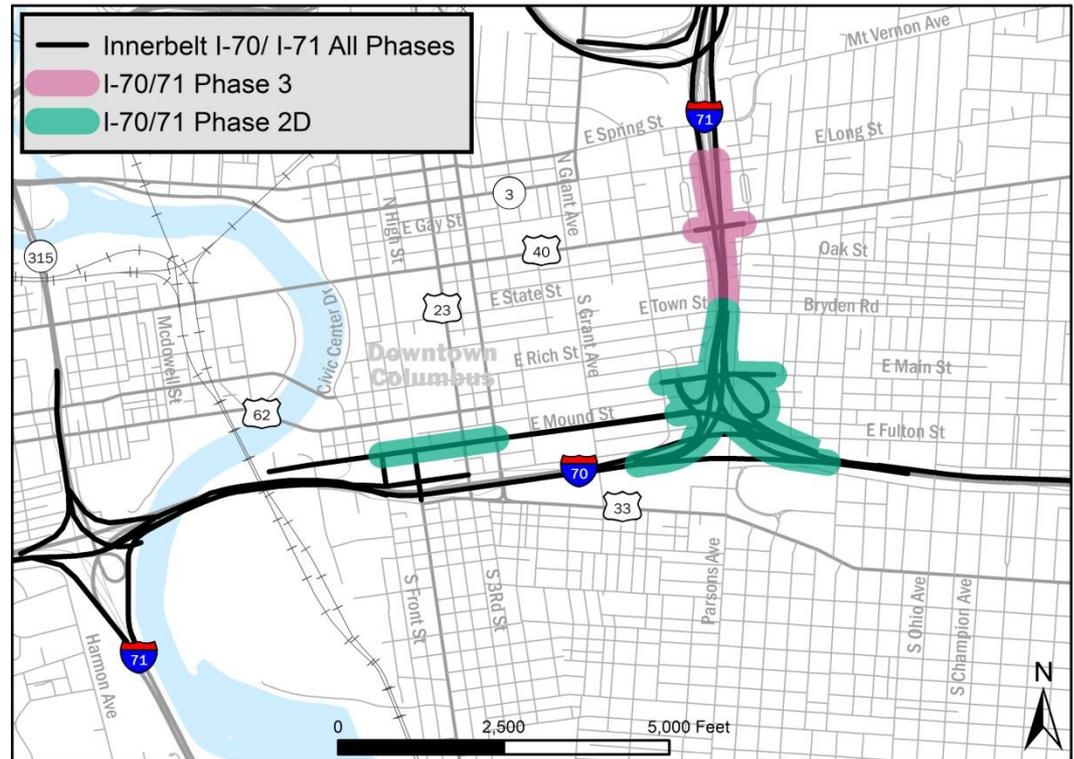

- Annually commits ODOT funding for Major New Capacity Program projects
- Eligible projects cost over \$12 million, increase capacity and/or reduce congestion
- MPOs provide ODOT project prioritization recommendation

Applications Submitted

- 5 applications submitted at the end of June within the MORPC MPO area
- \$39.2 million request total

Columbus Crossroads (Innerbelt) Project

- Administrative request only.
- Phases 2D and 3 have TRAC Tier I construction commitments.
- TRAC application seeks to adjust funding timeframes by breaking down phases into smaller, more fundable projects.

No additional funds requested
Will not be prioritized

Far East Freeway Project

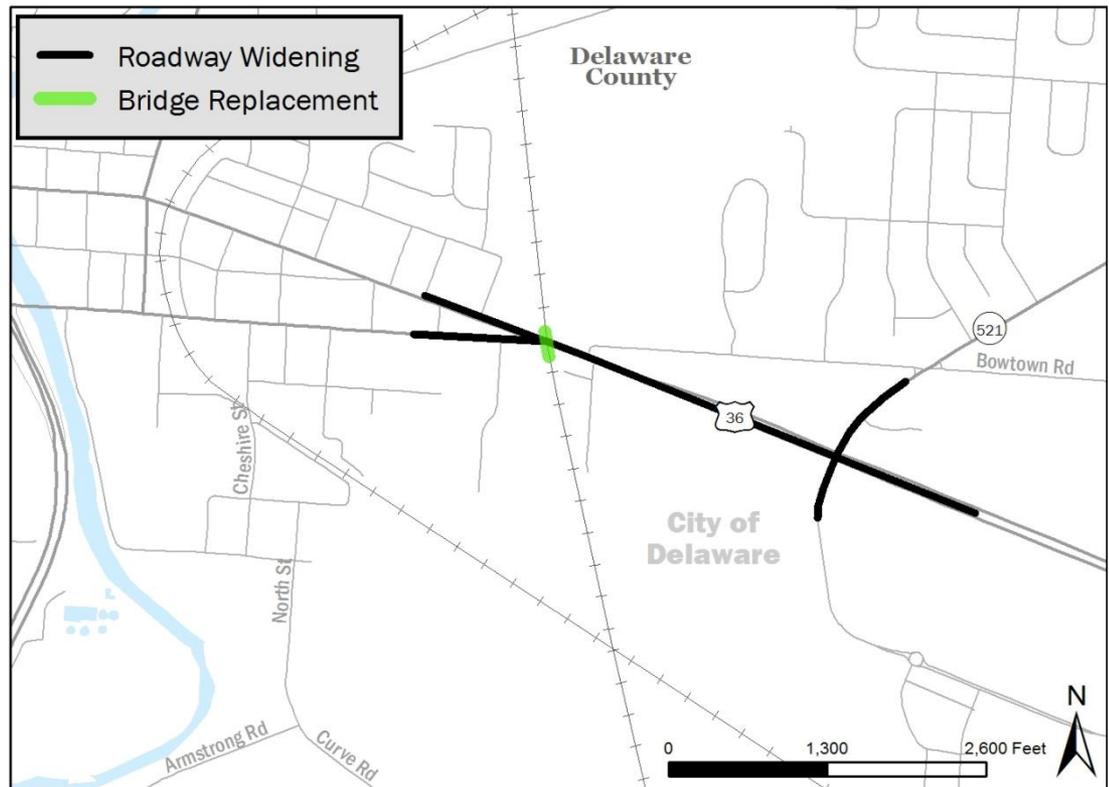

- Request for Phases 2 & 3 (I-270 and Brice Road area).
- Phase 2: North half of the Brice Road interchange, construction of westbound ramps to the I-270 interchange, and replaces the Brice Road bridge.
- Phase 3: Constructs the southern half of the Brice Road interchange.

Request: \$7 million for Detailed Design

Delaware Point Project

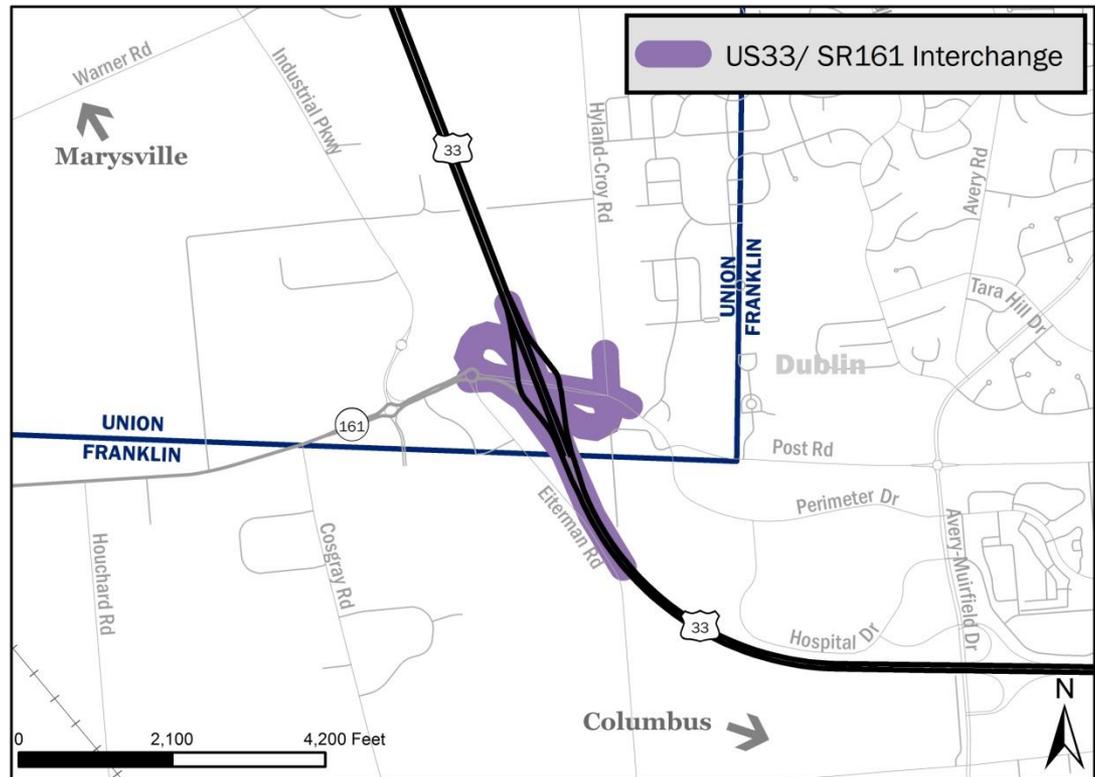

- Replaces the Norfolk Southern railroad bridge over US 36/SR 37.
- Widens this NHS route to two lanes in each direction.
- Additional turn lanes at the US 36/SR 37 and US 36/SR 37/SR 521 intersections.

Request: \$1.5 million for Detailed Design

US 33/SR 161/Post Road Interchange Project

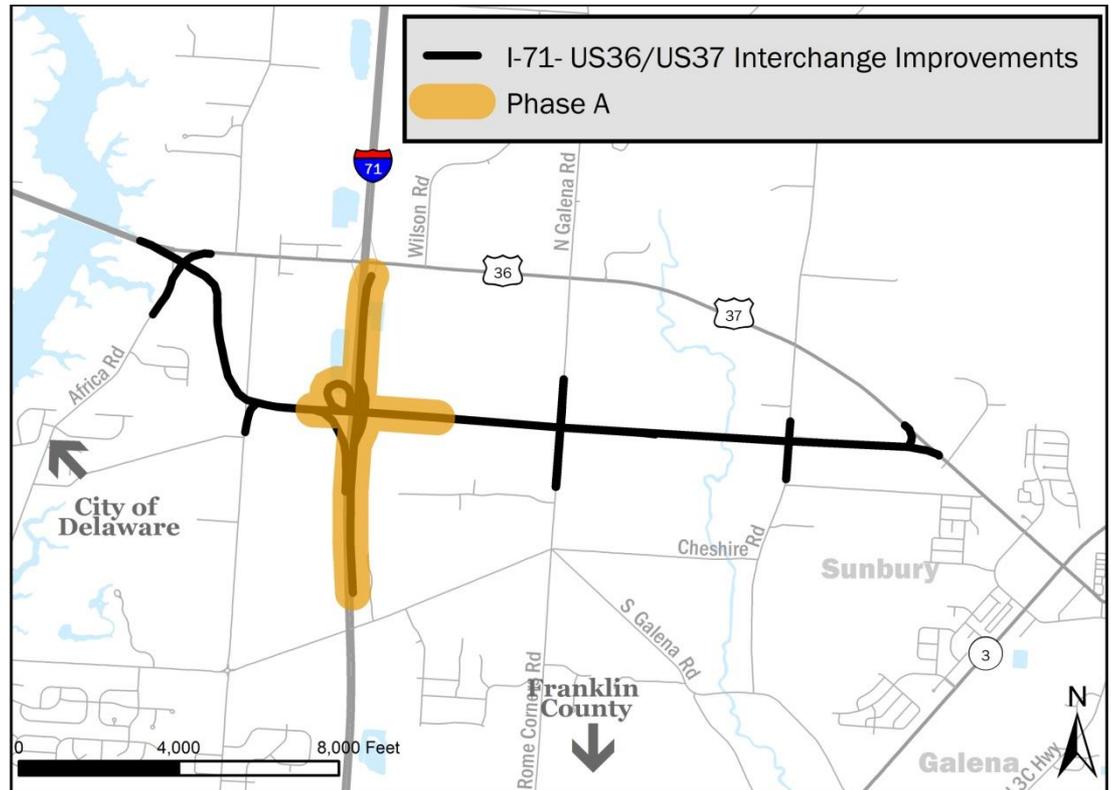

- Two new loop ramps to eliminate the existing left turn conflicts to enter the US 33 ramps.
- The intersections with both the east and west ramp terminals will be controlled via multi-lane roundabouts.

Request: \$20.68 million
for Construction

US 36/SR 37/I-71 Interchange Project

- Project involves additional ramps and a new east-west regional route to alleviate congestion.
- Request for Phase A funds: Interchange improvements component.

Request: \$10 million for Construction

Next Steps
