

2017 POPULATION ESTIMATES MORPC MEMBERSHIP AREA

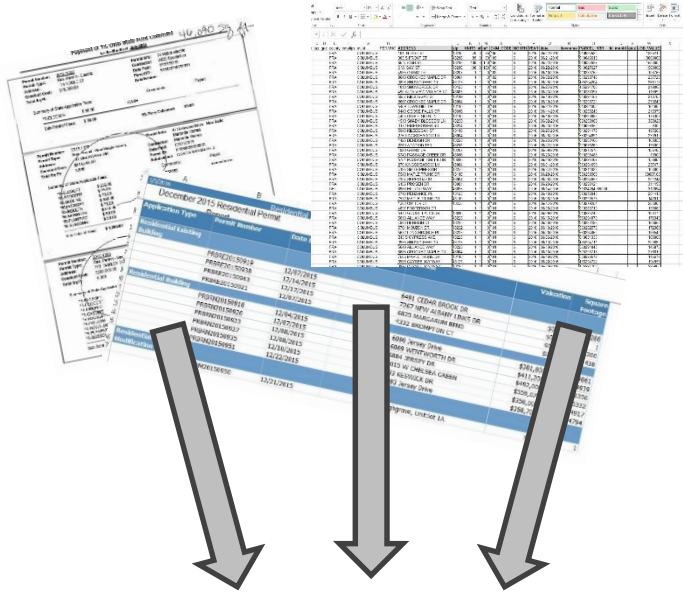

Mid-Ohio Regional
Planning Commission

Methodology

Annually, MORPC prepares population and household estimates for the purpose of assessing membership dues.

Household size is applied to newly constructed housing units, and then added to the previous year's estimate.

Building permit reports are collected from each member community.

In 2016, an additional:

19,300 people
8,000 homes

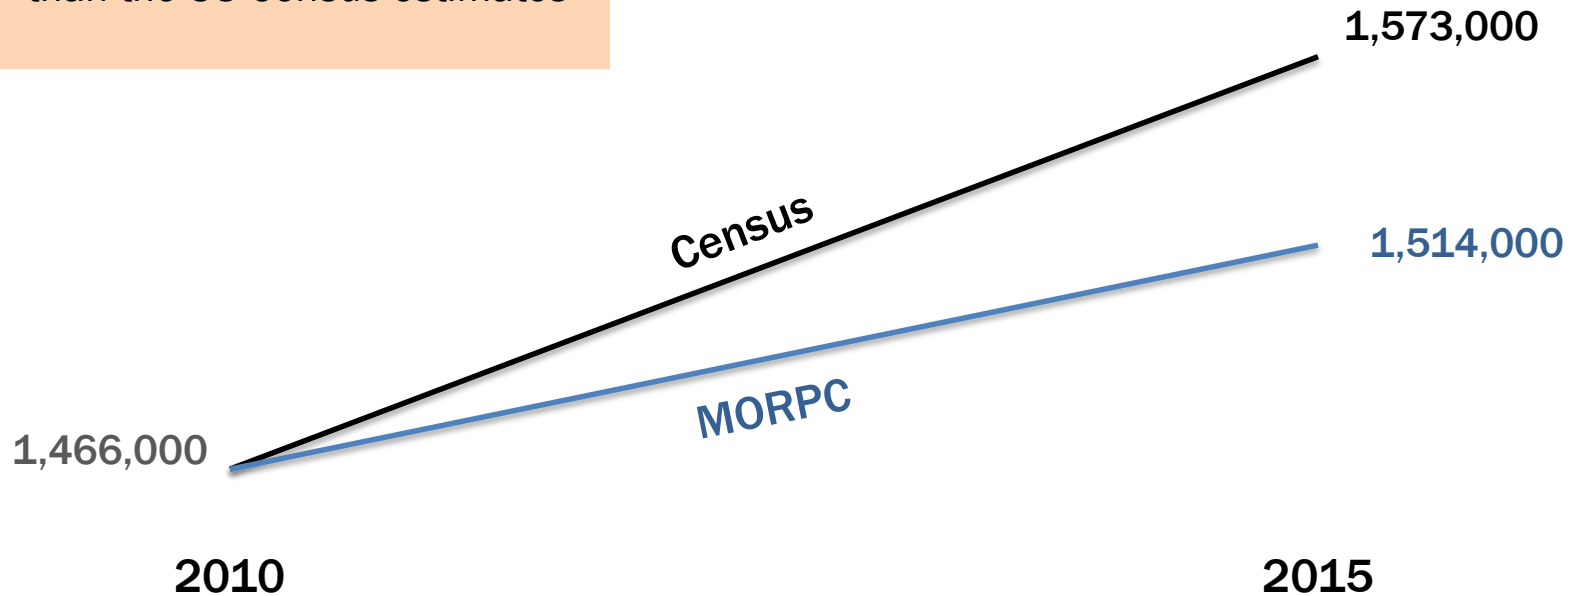

3,000 single family
5,000 multi-family

However...

MORPC's population estimates are getting further away from the US Census estimates

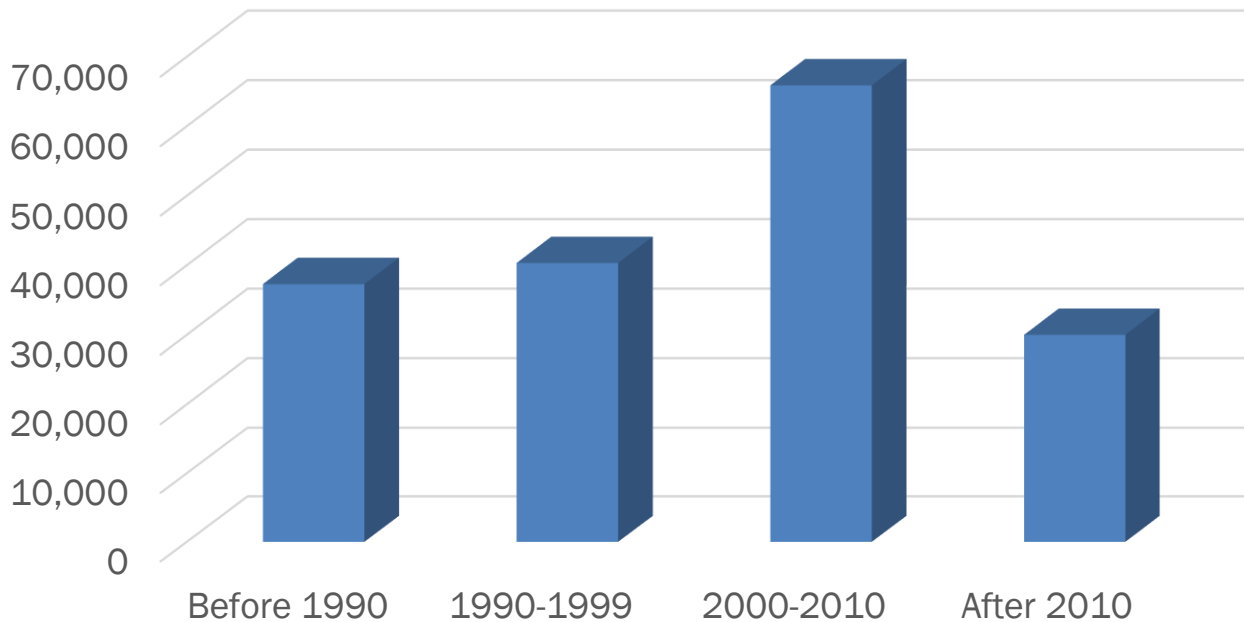

At mid-decade:
MORPC's estimates were
60,000 people and 4% lower
than the US Census estimates

Starting this year, international migration is now included in MORPC's population estimates.

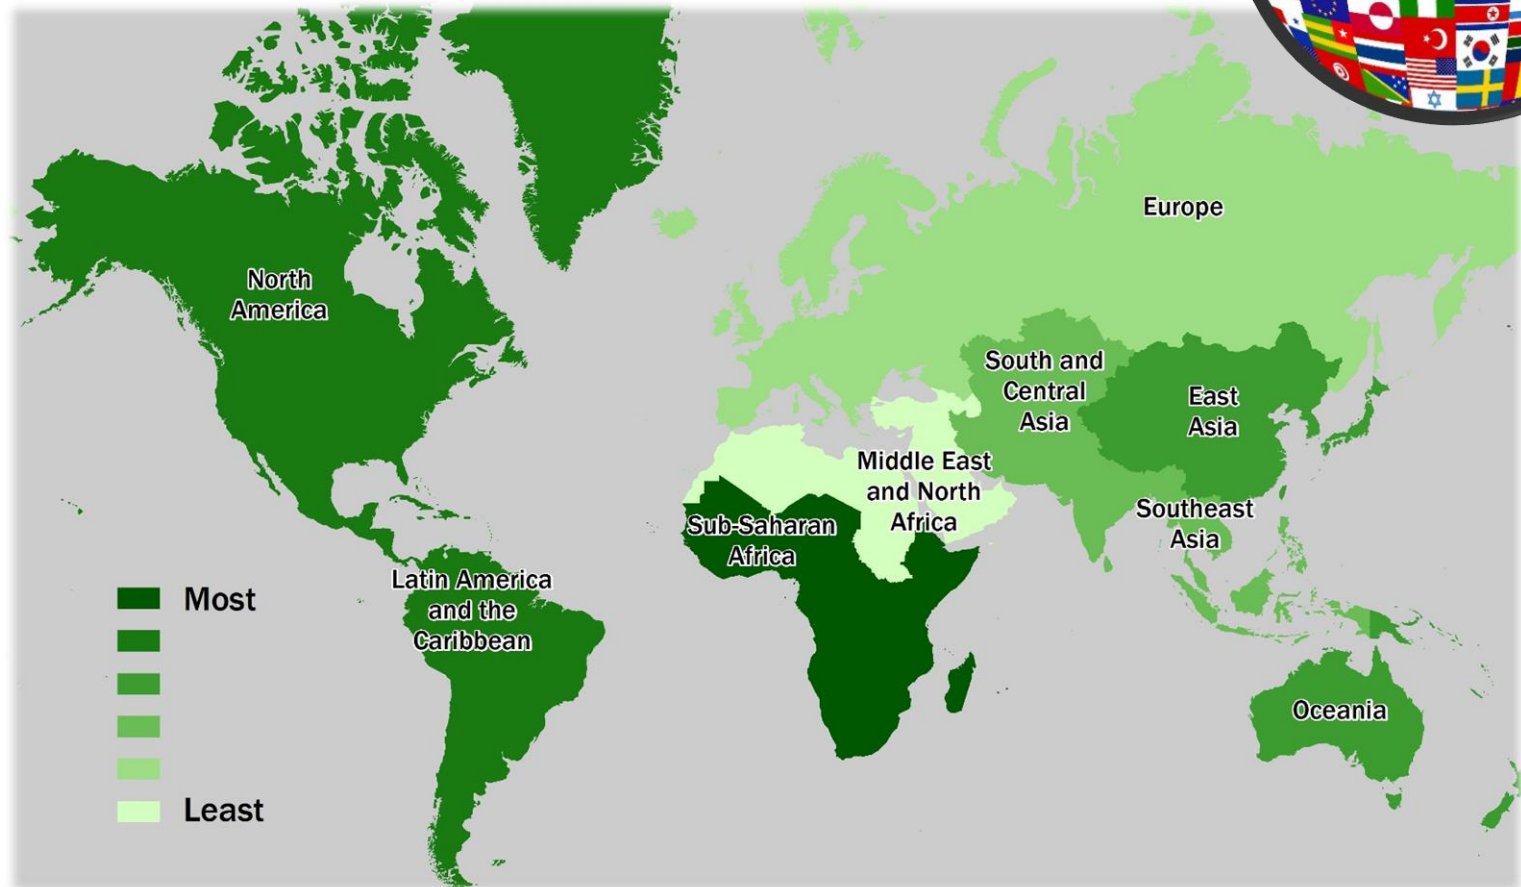

International Migration into Central Ohio

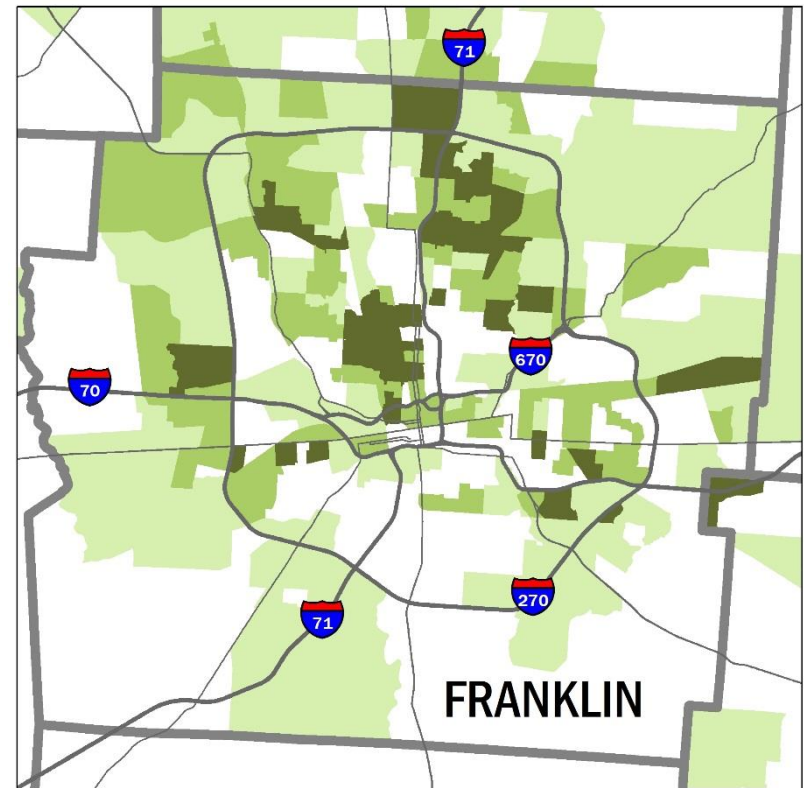

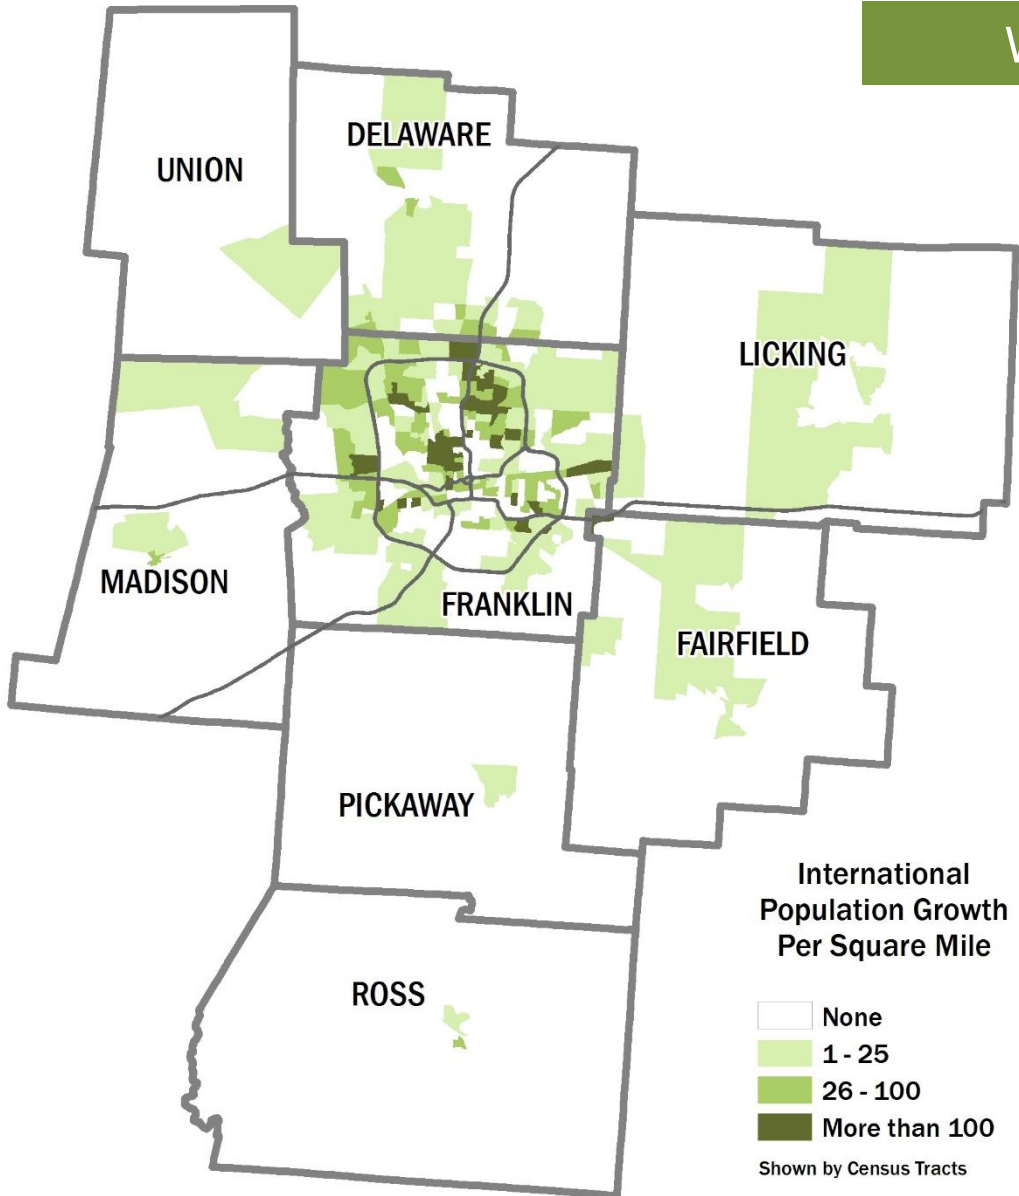

39,000 people migrated to Central Ohio from abroad since 2010

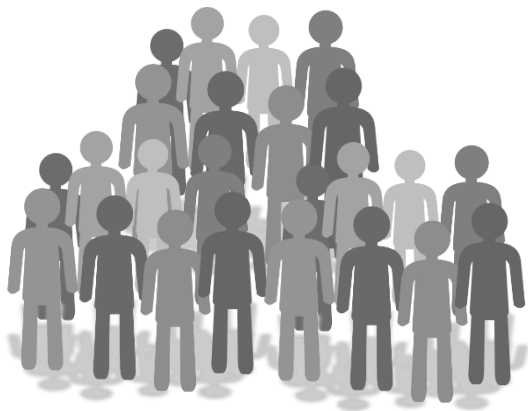

Where people came from: 2010-2016

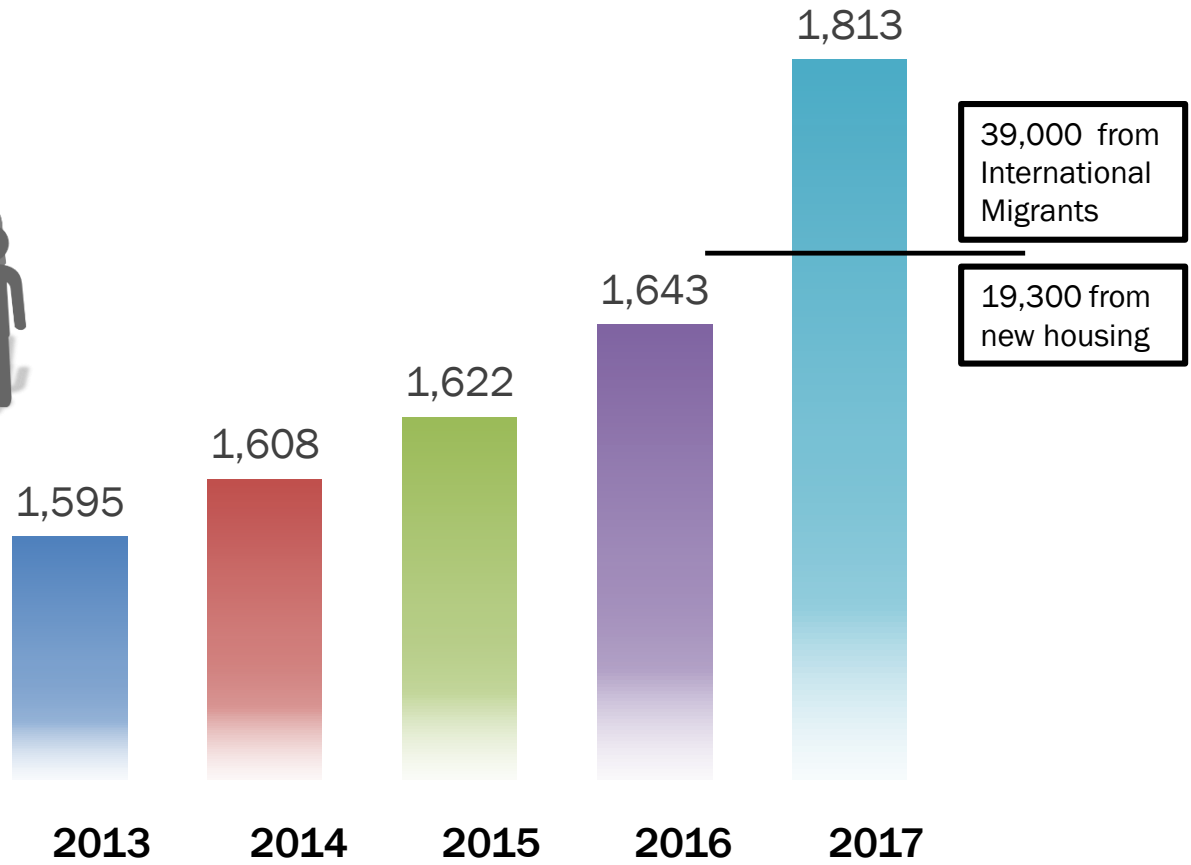

Where people went: 2010-2016

Expect continued growth for MORPC member area
