- Erin Miller

2015 - 2016

REGIONAL SUSTAINABILITY AGENDA

Process

Key Components

- Aligned with existing plans (e.g. MTP)
- Proposed update every 4 years, with flexibility to update sooner with approval
- Goals, objectives, targets and strategies
- Annual reporting on progress

5 Goals

- Reduce energy consumption
- Protect natural resources
- Attract and retain economic opportunity
- Create sustainable neighborhoods
- Increase collaboration and education

22 Objectives

- Specific
- Measurable - Available metrics
- Achievable - Using strategies
- Relevant - Tied to goals and programs
- Time-oriented - Year: 2020

Next Steps

A large, light blue arrow points from left to right across the middle of the slide. Three green rounded rectangular boxes are placed along the path of the arrow, containing the following text: "Input by 11/23", "E-Committee vote 12/1", and "Commission vote 12/8".

Input by
11/23

E-Committee
vote 12/1

Commission
vote 12/8
