OHIO AUDITOR

ShareOhio

ShareOhio is a no-cost public works resource inventory application provided by the Office of the Auditor of State (AOS) and was developed in partnership with the Lake County Service Directors Group. ShareOhio allows government officials to enter National Incident Management System (NIMS)-typed and non-typed public work resources into a database, search/identify resources for sharing purposes, track resources shared, and measure resource utilization.

SHARE OHIO PROGRAM

Date: Thursday May 14, 2015

Time: 12:00 p.m.

Location: Muskingum Room at MORPC

Cost \$10 Lunch

At no cost to local governments, ShareOhio.gov allows entities to enter heavy equipment into a database for the purpose of loaning to and borrowing from other nearby communities. Users have the ability to track inventory within each department and facilitate internal sharing of equipment as well. ShareOhio.gov also includes a feature that measures utilization rates for each piece of equipment and provides a variety of reports to help monitor usage.
