(Columbus –January 8, 2015) The Mid-Ohio Regional Planning Commission (MORPC) recently received the Certificate of Achievement for Excellence in Financial Reporting by the Government Finance Officers Association of the United States and Canada (GFOA) for its comprehensive annual financial report (CAFR). The Certificate of Achievement is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management.

“MORPC is proud to have received this award for 26 consecutive years as a result of the hard work of our staff members and continuing dedication to clearly provide our financial and related information to users in Central Ohio and beyond,” states Shawn Hufstедler, MORPC Chief of Staff & Finance Director. “We appreciate the continued recognition from the GFOA.”

The CAFR is judged by an impartial panel to meet the high standards of the program including demonstrating a constructive “spirit of full disclosures” to clearly communicate its financial story and motivate potential users and user groups to read the CAFR.
