Featured Event

2016 STATE OF THE REGION LUNCHEON

May 6, 2016

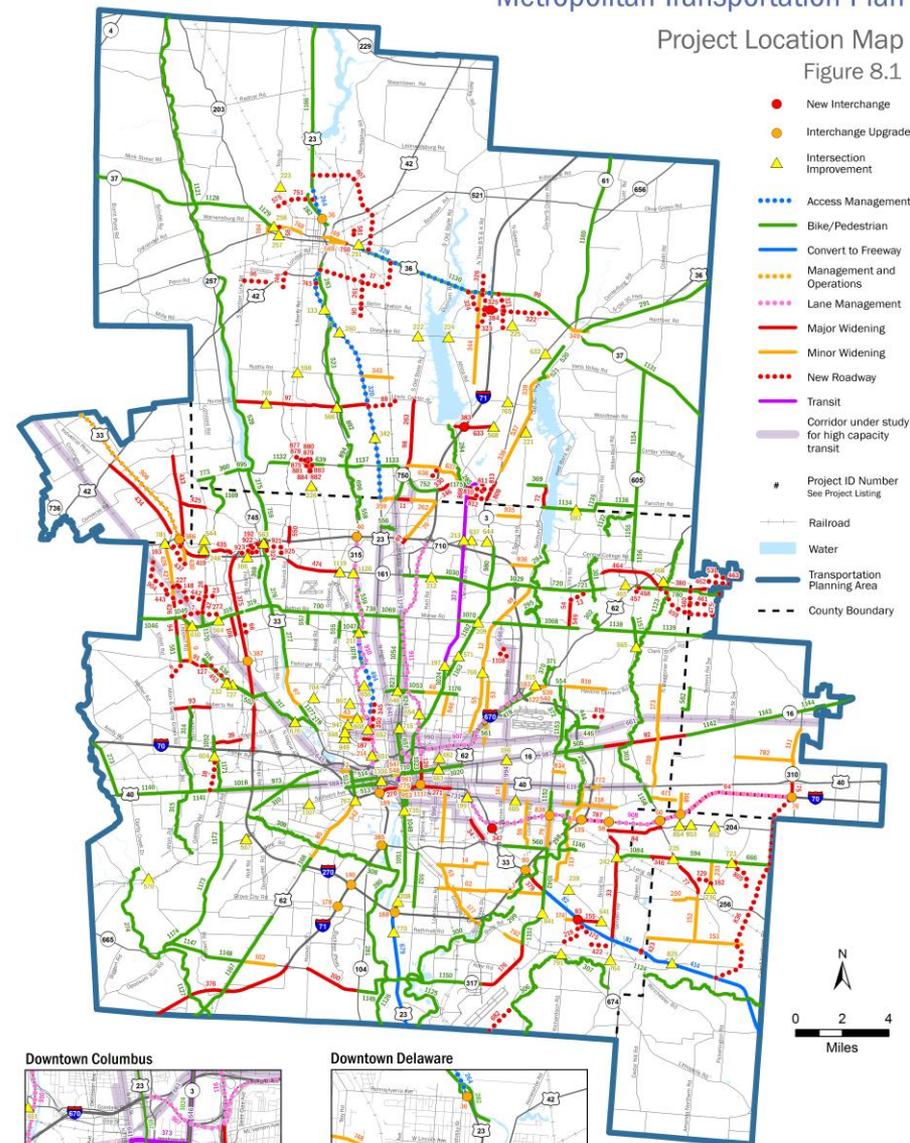

Join us at one of Central Ohio's most significant events of the year. At the 2016 State of the Region luncheon, we will highlight community accomplishments and showcase upcoming plans for leading our region into the future. We hope to see you along with the region's top political, business, and civic leaders at this year's premier event.

Project Location Map
Figure 8.1

DRAFT STRATEGIES & PROJECTS

Strategy	Related Goals
Collaborate to reduce the need for vehicle travel through development regulations.	
Create travel demand management (TDM) partnerships among the facilitators and providers of alternative modes of transportation, community leaders, and institutions that make up high-density trip-generating districts.	
Improve marketing of regional travel demand management (TDM) programs to increase use of transit, rideshare, bicycling, and walking.	
Create plans and partnerships to attract investment in alternative fuel vehicles and infrastructure.	
Alleviate existing or anticipated congestion.	
Improve employee and customer access to businesses through infrastructure and outreach.	
Improve fixed-route and demand-response transit service.	
Improve connections and coordination among transit system operators and other modes of transportation.	
Support efforts to introduce fixed-guideway transit service.	
Collect information on and analyze freight activity to identify developing trends, and work to disseminate that information among partners and peers.	
Forge public/private partnerships to provide resources to maintain and expand key linkages among air, rail and roadway transportation modes.	
Make transportation decisions that positively impact freight movements and maximize the effectiveness of the region's integrated freight transportation system.	
Make neighborhoods walkable, bikeable, and accessible by transit through both infrastructure and noninfrastructure projects and programs.	
Increase the quantity and quality of data on bicycle and pedestrian travel behavior.	

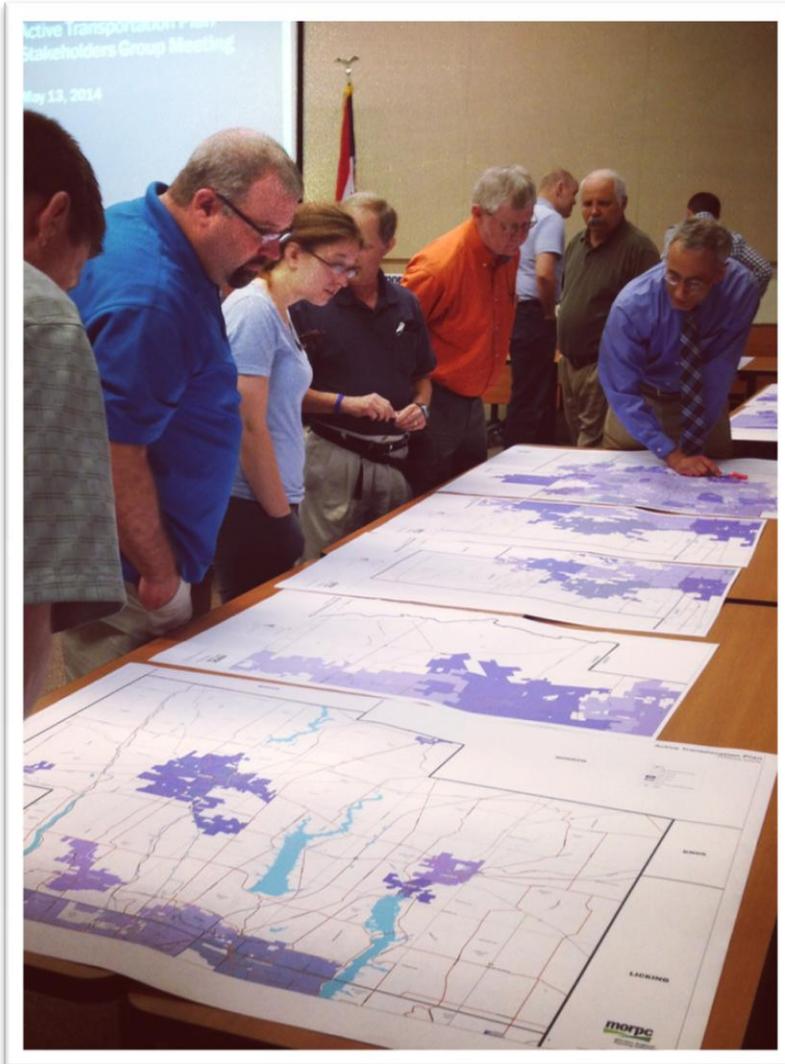

OPEN HOUSE MARCH 15

- Approximately 60 attendees
- Comments received to date:
 - Addition of 2 high-capacity transit corridors for further study
 - Addition of 10 roadway projects *(subject to fiscal balance and impact analyses)*
 - Addition of 2 bike/ped projects *(subject to fiscal balance and impact analyses)*
 - 8 projects moving timeframes *(subject to fiscal balance)*
 - 3 projects removed because they are being completed

NEXT STEPS

- Comment period through **April 15th**
- Plan adoption May
