Equitable Transit-Oriented Development (ETOD) Action Plan

Equitable Transit Oriented Development

ETOD - helps guide development so that people of all incomes - especially existing residents who may have been harmed or ignored by previous infrastructure investments - experience the benefits of new development near transit.

- **COTA & City of Columbus liaisons of ETOD Steering Committee**
- **ETOD Steering Committee has met 4 times and will meet again on June 5th**
- **Review Draft ETOD Action Plan - June 5th**
- **ETOD Advisory Group (large group) - June 21**

Potential Service Improvements

Not all proposed service increases will be possible, but public feedback will help COTA prioritize which of the following changes will be made in September.
