

State Route 13 Relocation

PROJECT OVERVIEW

This proposed project would relocate SR13 to the southwest along the Kokosing River and connect South Main Street to Sandusky Street. This new 3-lane road would replace Phillips Dr and carry 2-way traffic. This project will increase the buffer between the road and the River. This project additionally proposes to reroute SR 229 and US 36 through Public Square and improve pedestrian mobility.

2024 TRAC REQUEST

The City of Mount Vernon is requesting to move to Tier I status and requests \$5.6 million for Construction in fiscal year 2025.
