PRIORITIZATION PROCESS – MTP GOALS

MORPC

Create sustainable neighborhoods to improve all residents' quality of life.

Increase regional collaboration and employ innovative transportation solutions to maximize the return on public expenditures.

Position central Ohio to attract and retain economic opportunity to prosper as a region and compete globally.

Provide transportation and mobility to benefit the health, safety, and welfare of all people.

Protect natural resources and mitigate infrastructure vulnerabilities to maintain a healthy ecosystem and community.

Reduce per capita energy consumption and promote alternative fuel resources to increase affordability and resilience of regional energy supplies.
