What is Bike Plus?

A plan to provide a safe and connected network for all people in Columbus.

Who is Bike Plus for?

1. Interested but concerned
2. Vision Zero Communities of Interest
3. Everyone!

Draft Bike Plus Vision

Columbus is a city where people of **all ages, abilities and backgrounds** are able to bike **safely and comfortably** for any transportation or recreation needs.

Draft Bike Plus Goals

1. Create **safe** streets
2. More people **biking**
3. Plan and design with **equity**

When?

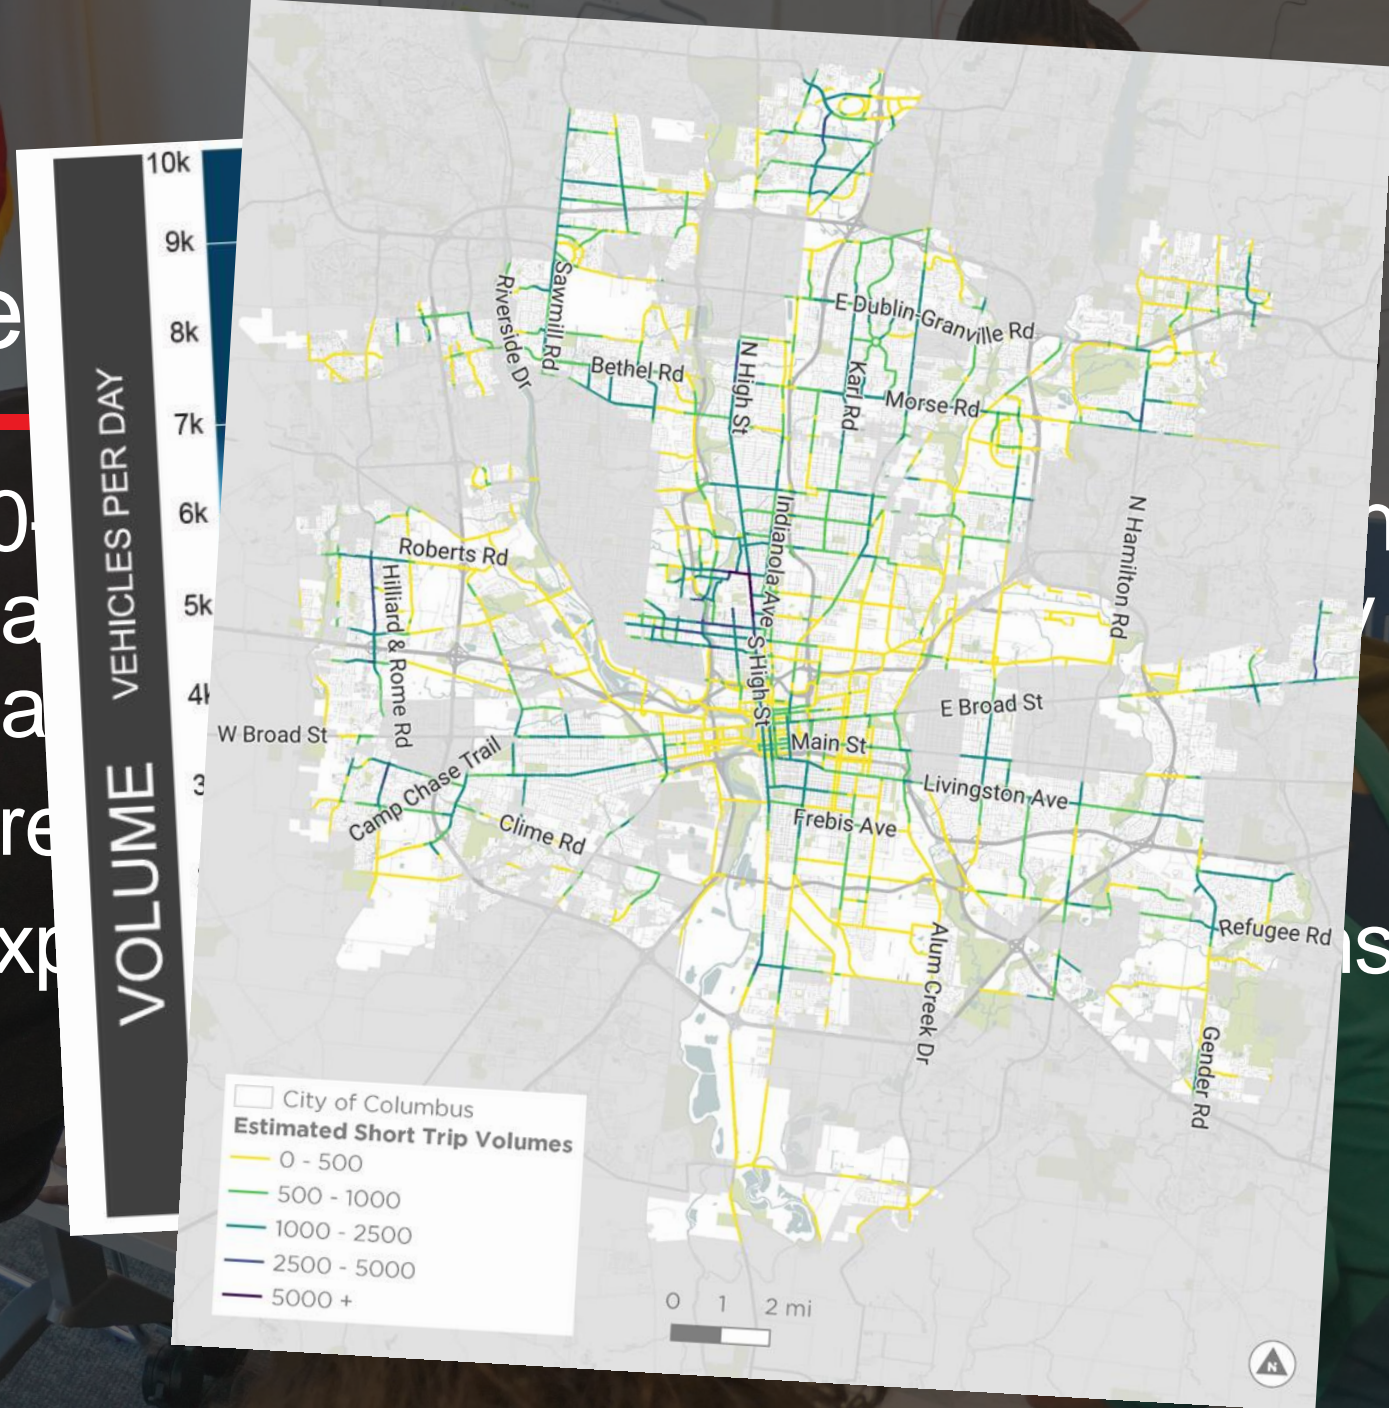

Community Engagement

Over 12,000 Engagement Touchpoints

S

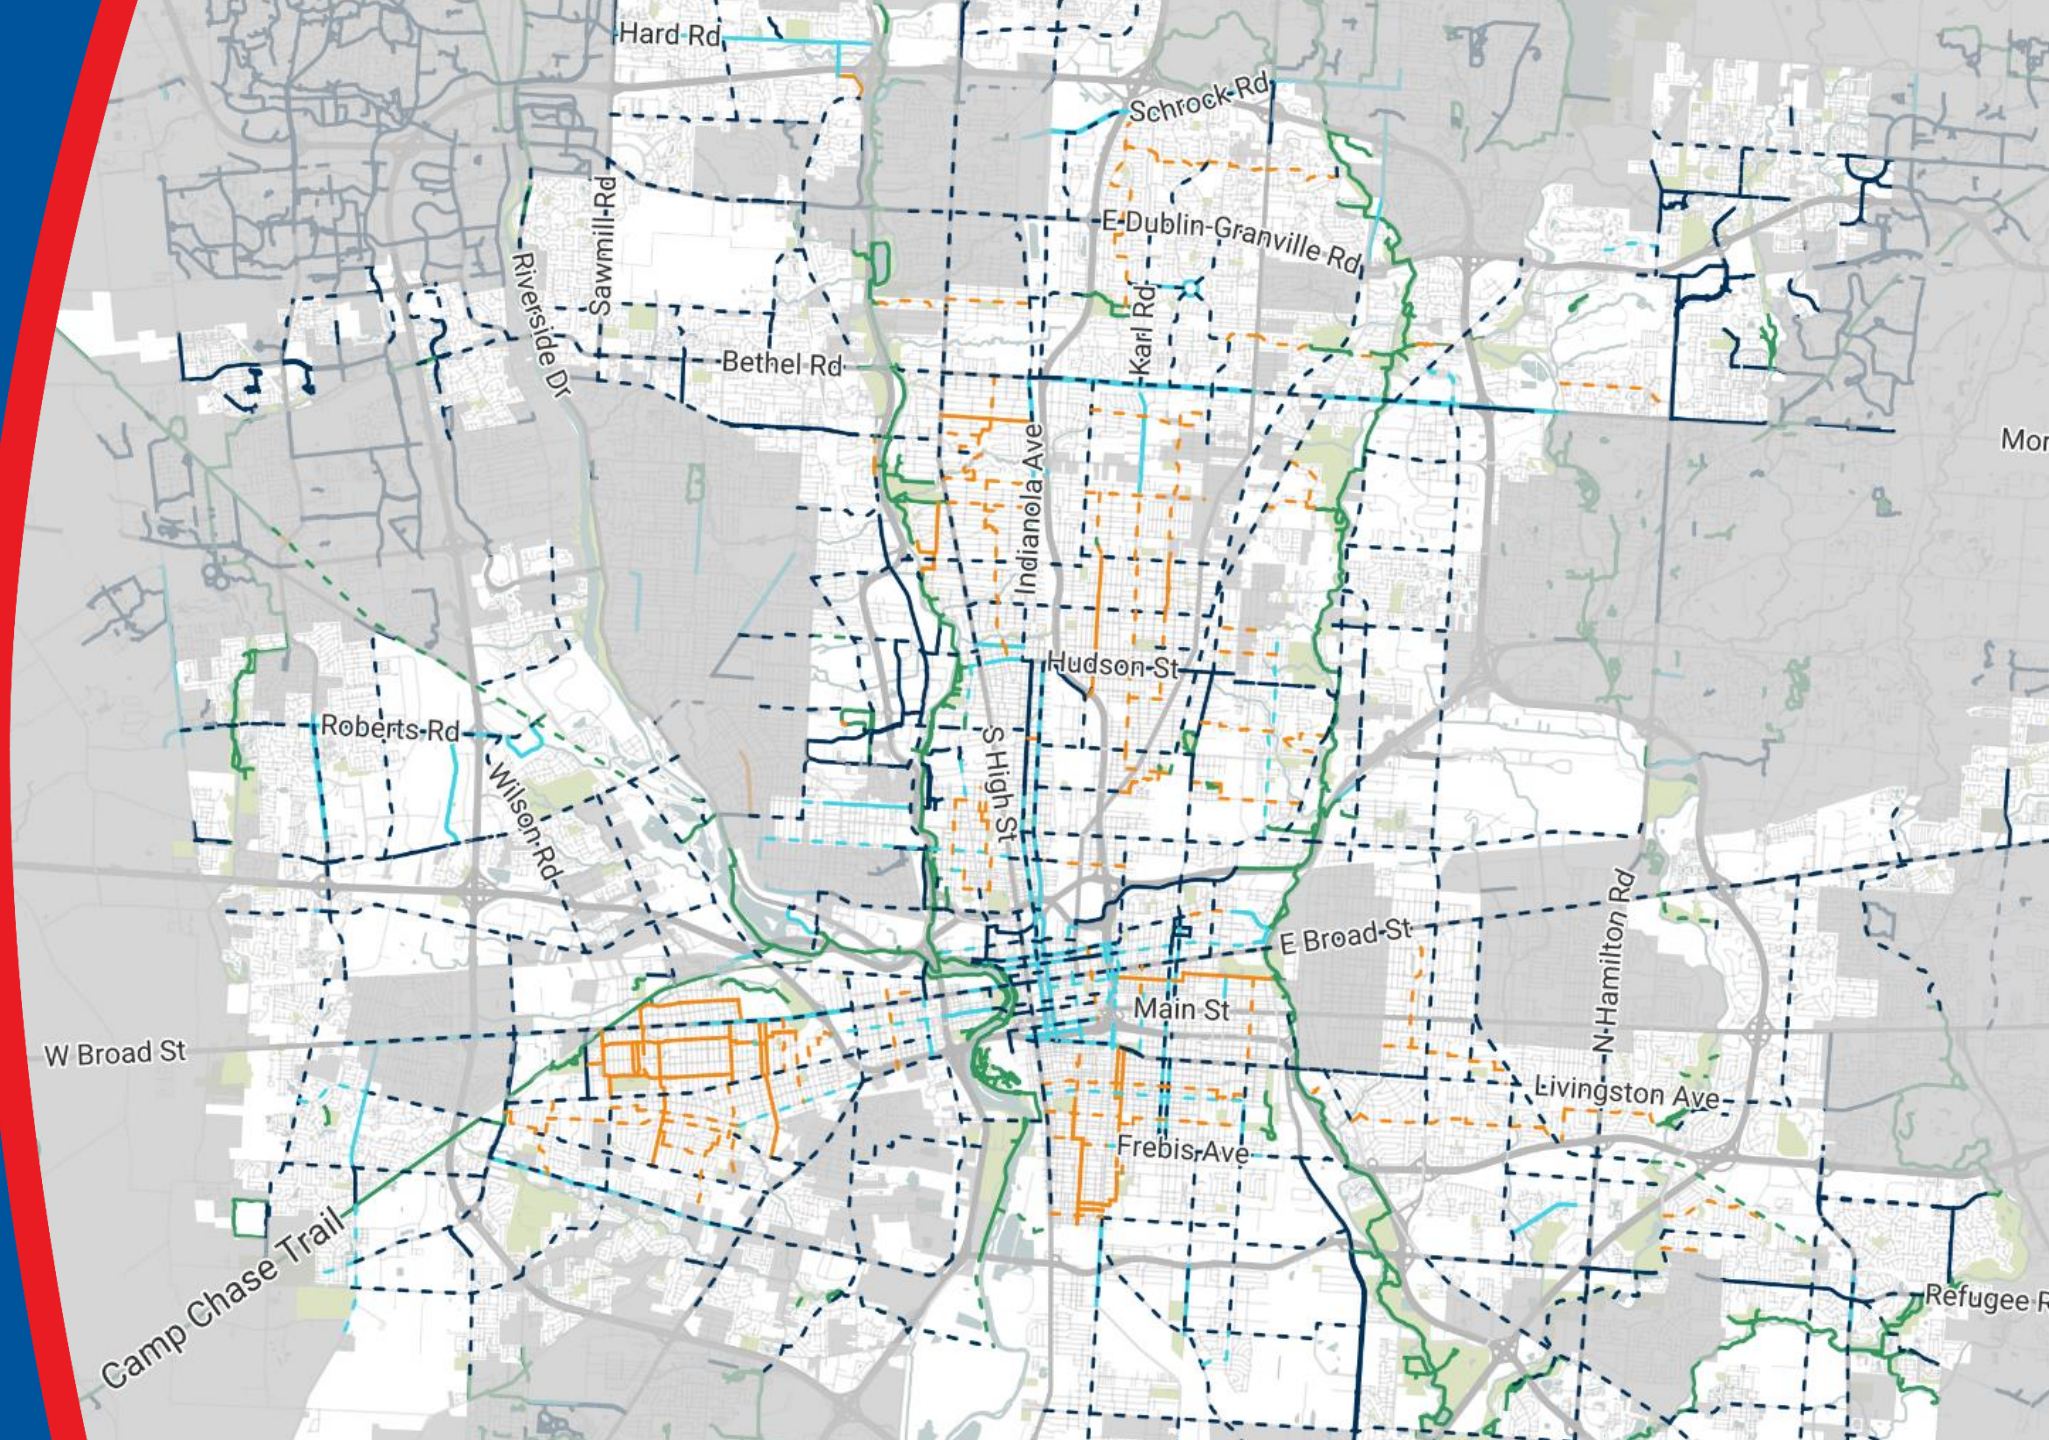

Public Open Houses

- Two sets of open houses throughout the city
- 200+ community members attended
- Continued to revise draft vision network
- Expanded upon policies and programs

Draft Vision Network

- A long term vision!
- Network aiming at all ages and abilities users
- 1/2 mile service area,
1/4 mile downtown

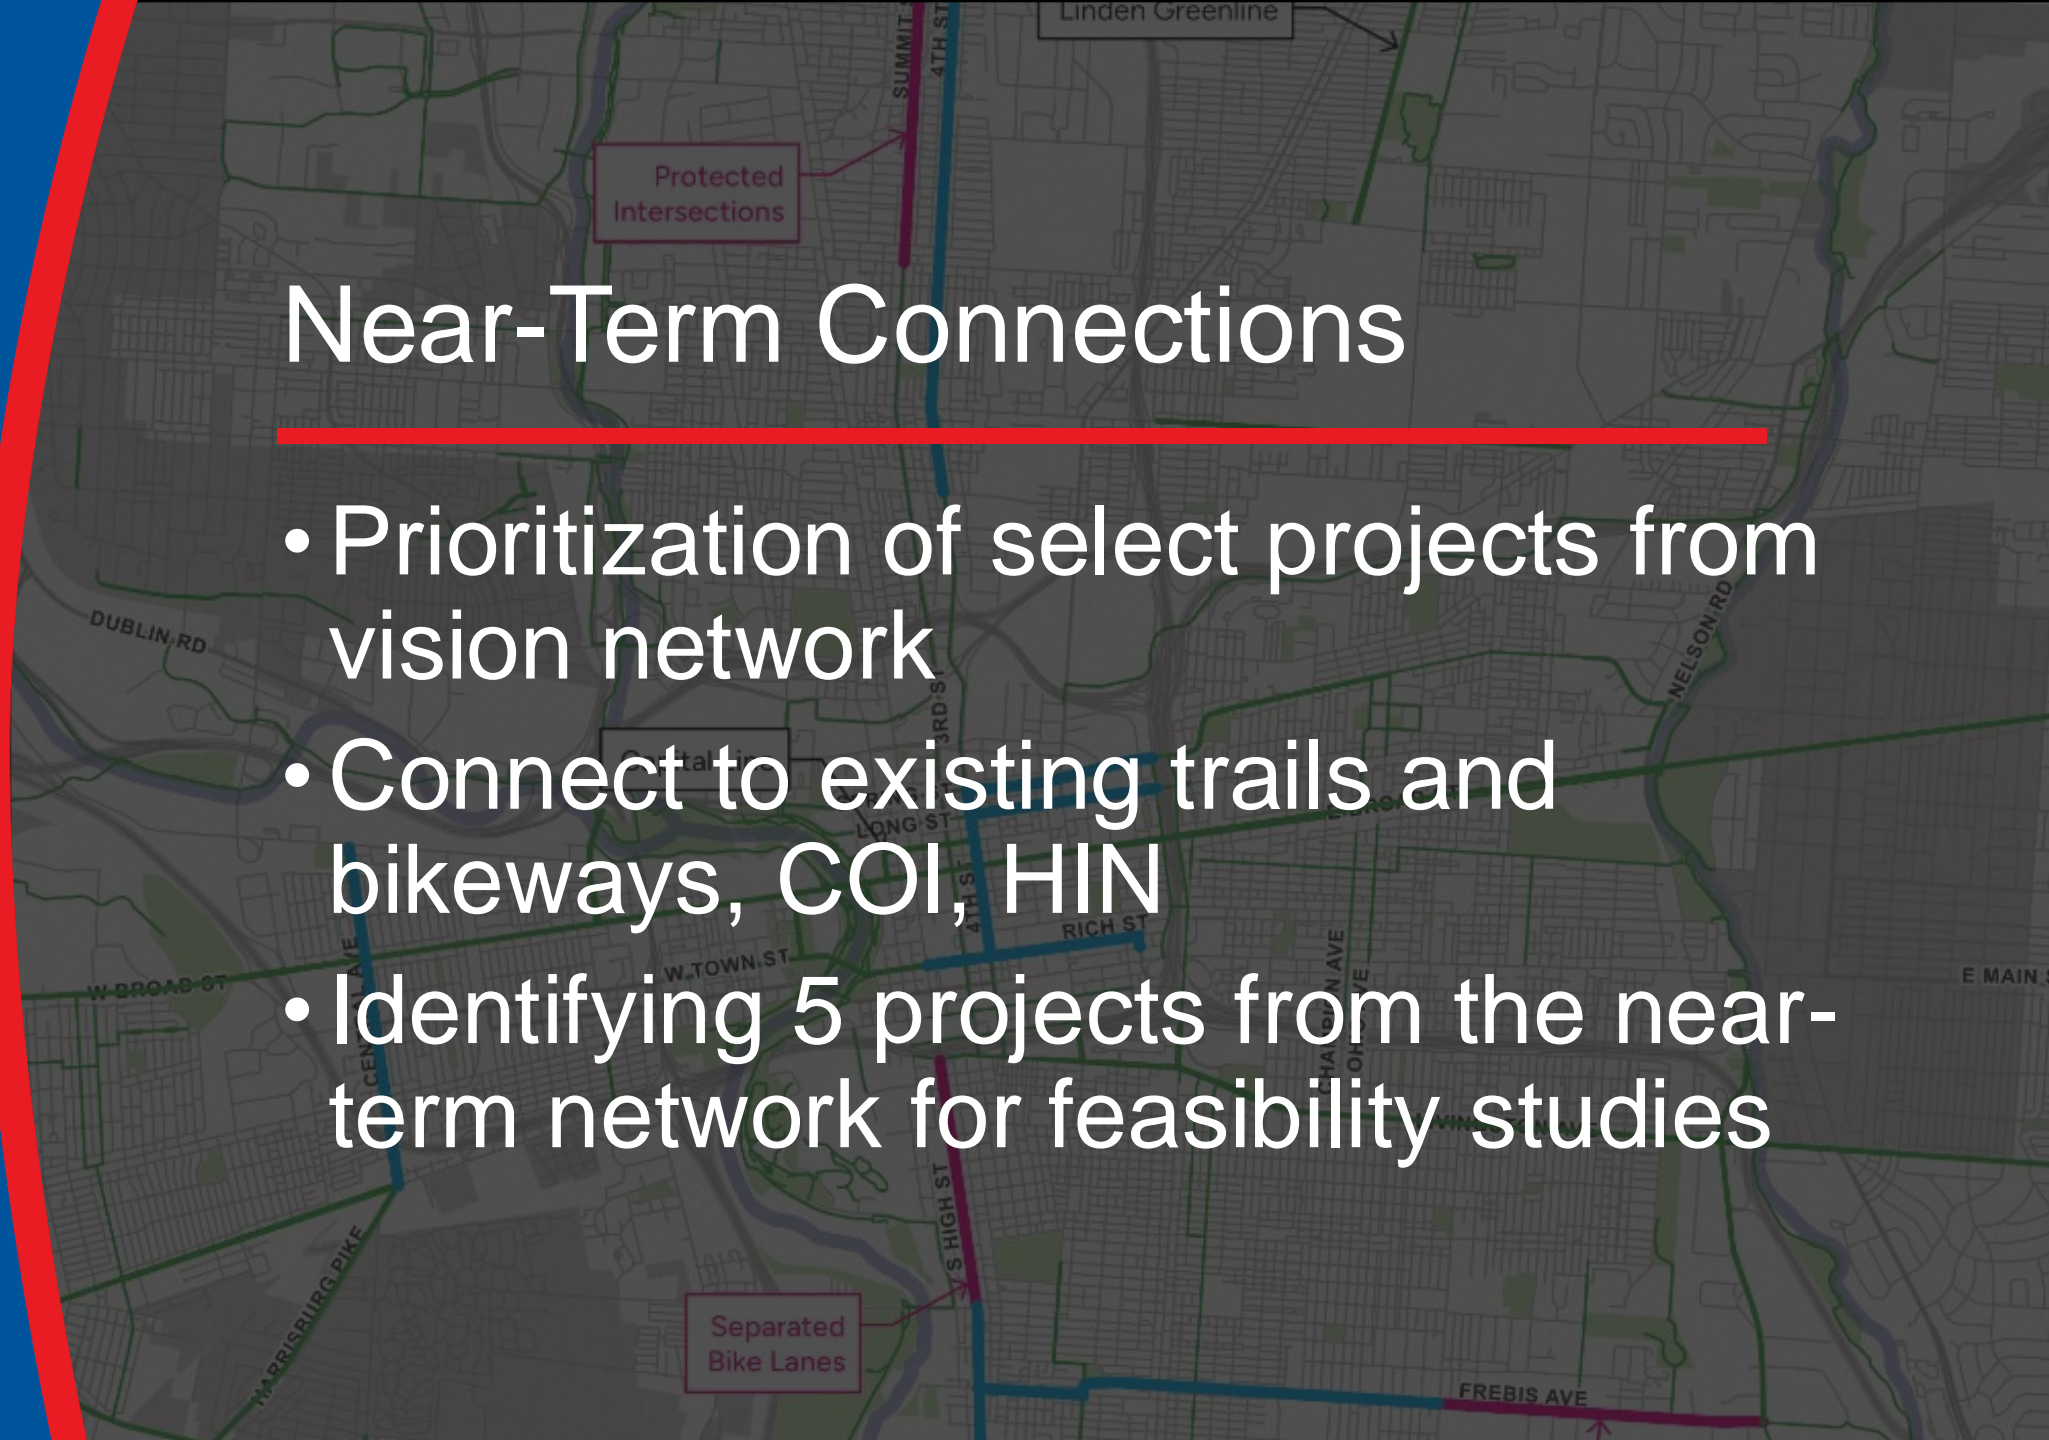

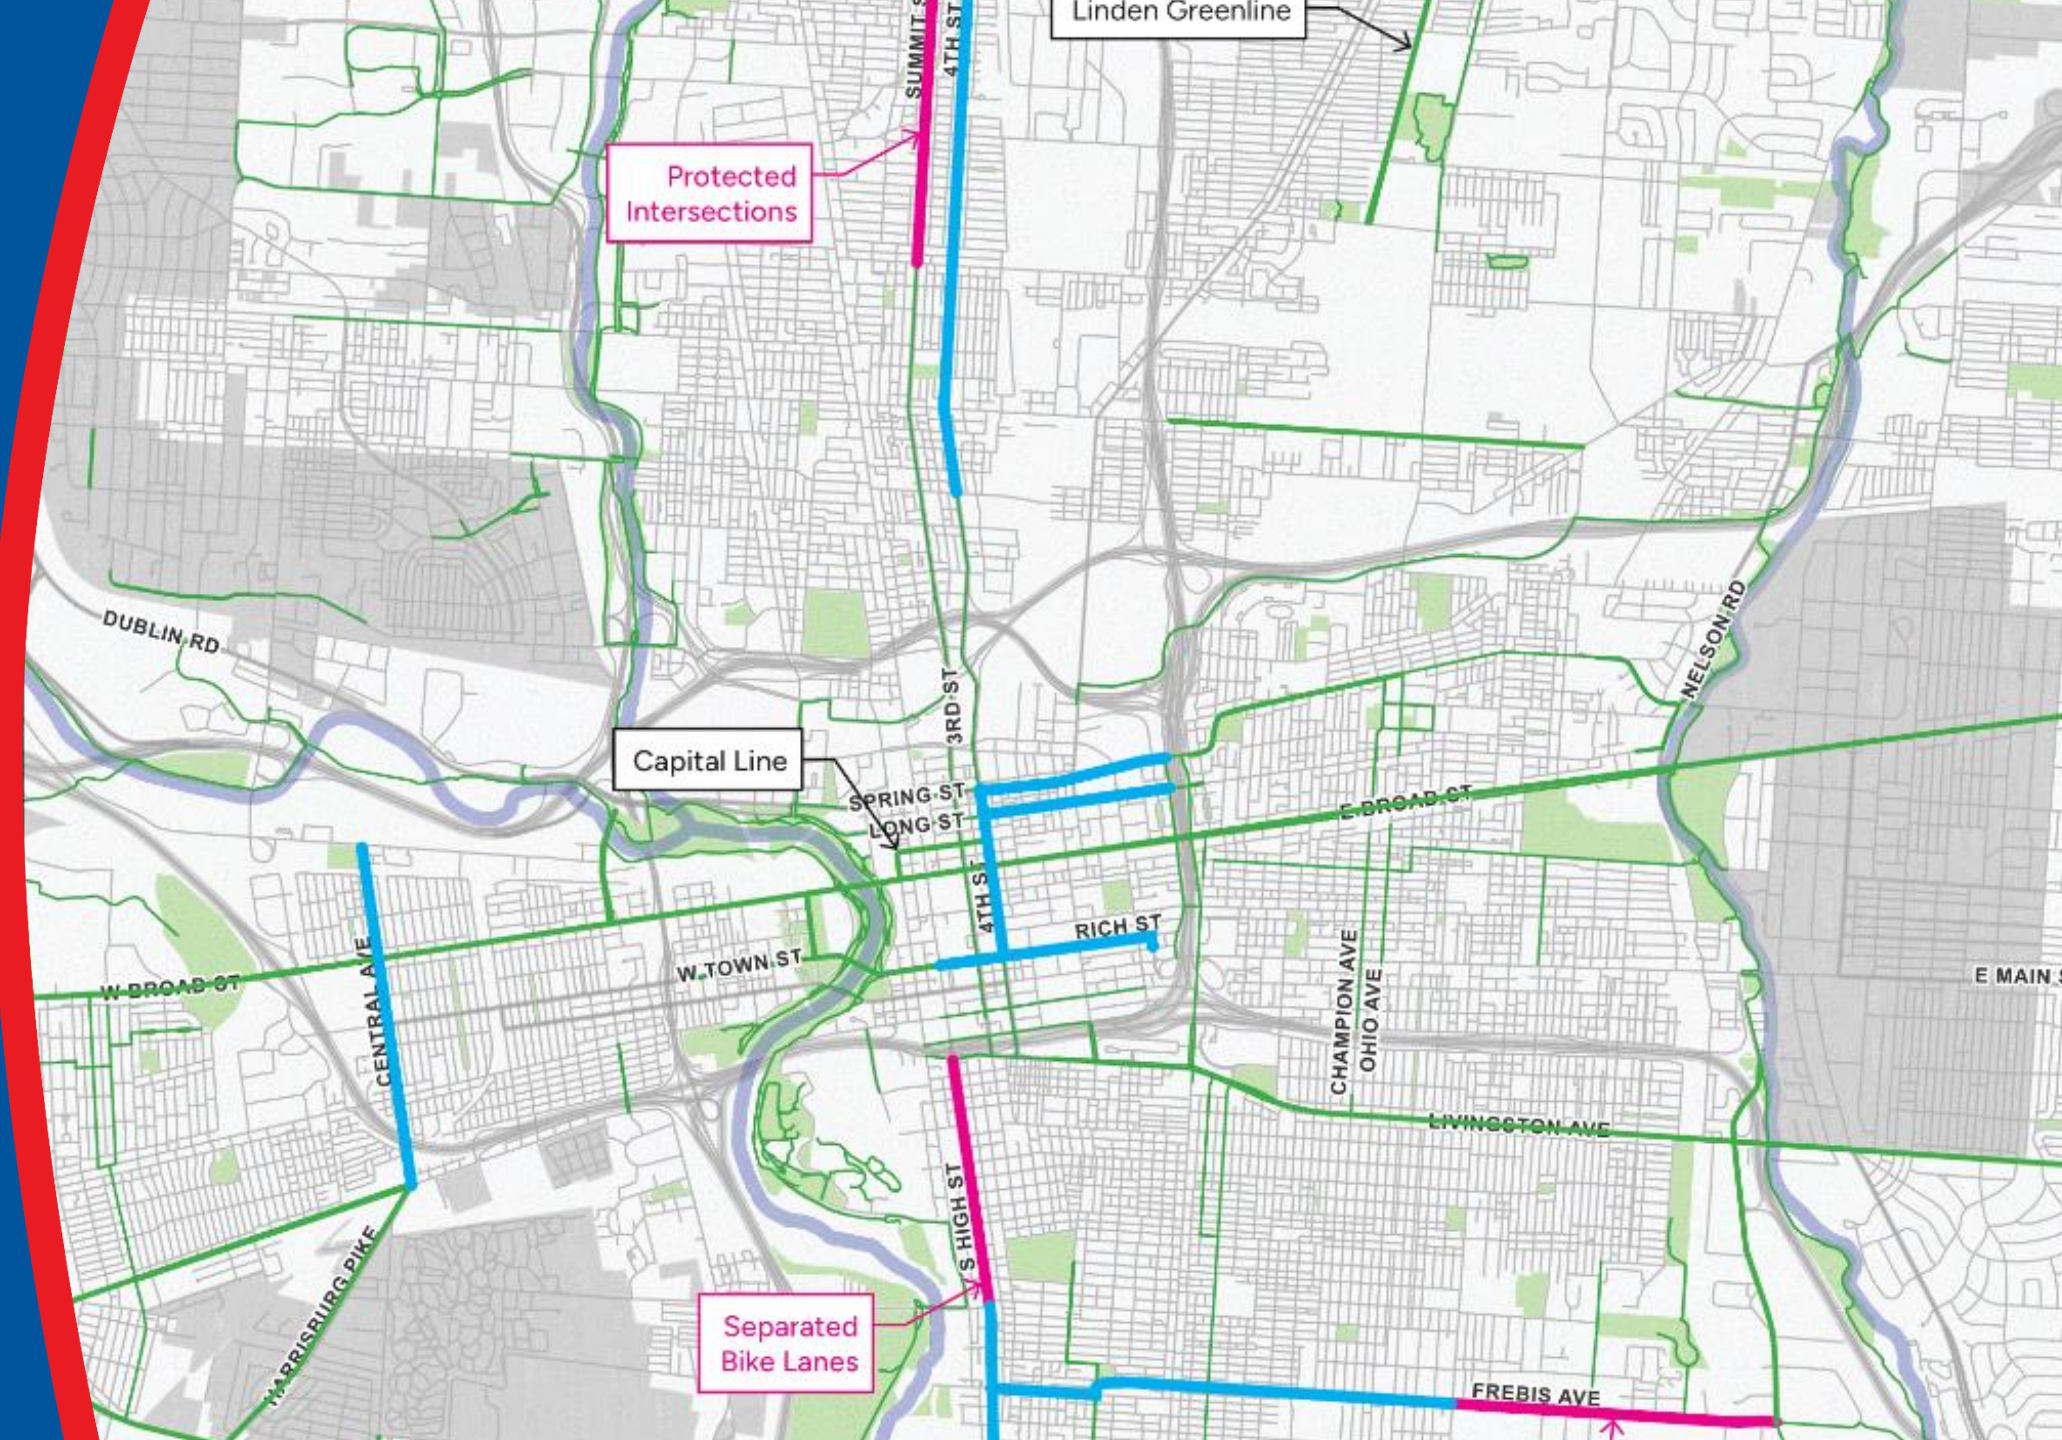

A detailed map of a city street grid, likely in a downtown area, showing various streets and their intersections. The map is overlaid with a semi-transparent blue and orange grid pattern. A prominent red curved line is visible on the left side of the map.

• 86% of comments were, **Yes!**

Near-Term Connections

- Prioritization of select projects from vision network
- Connect to existing trails and bikeways, COI, HIN
- Identifying 5 projects from the near-term network for feasibility studies

Protected Intersections

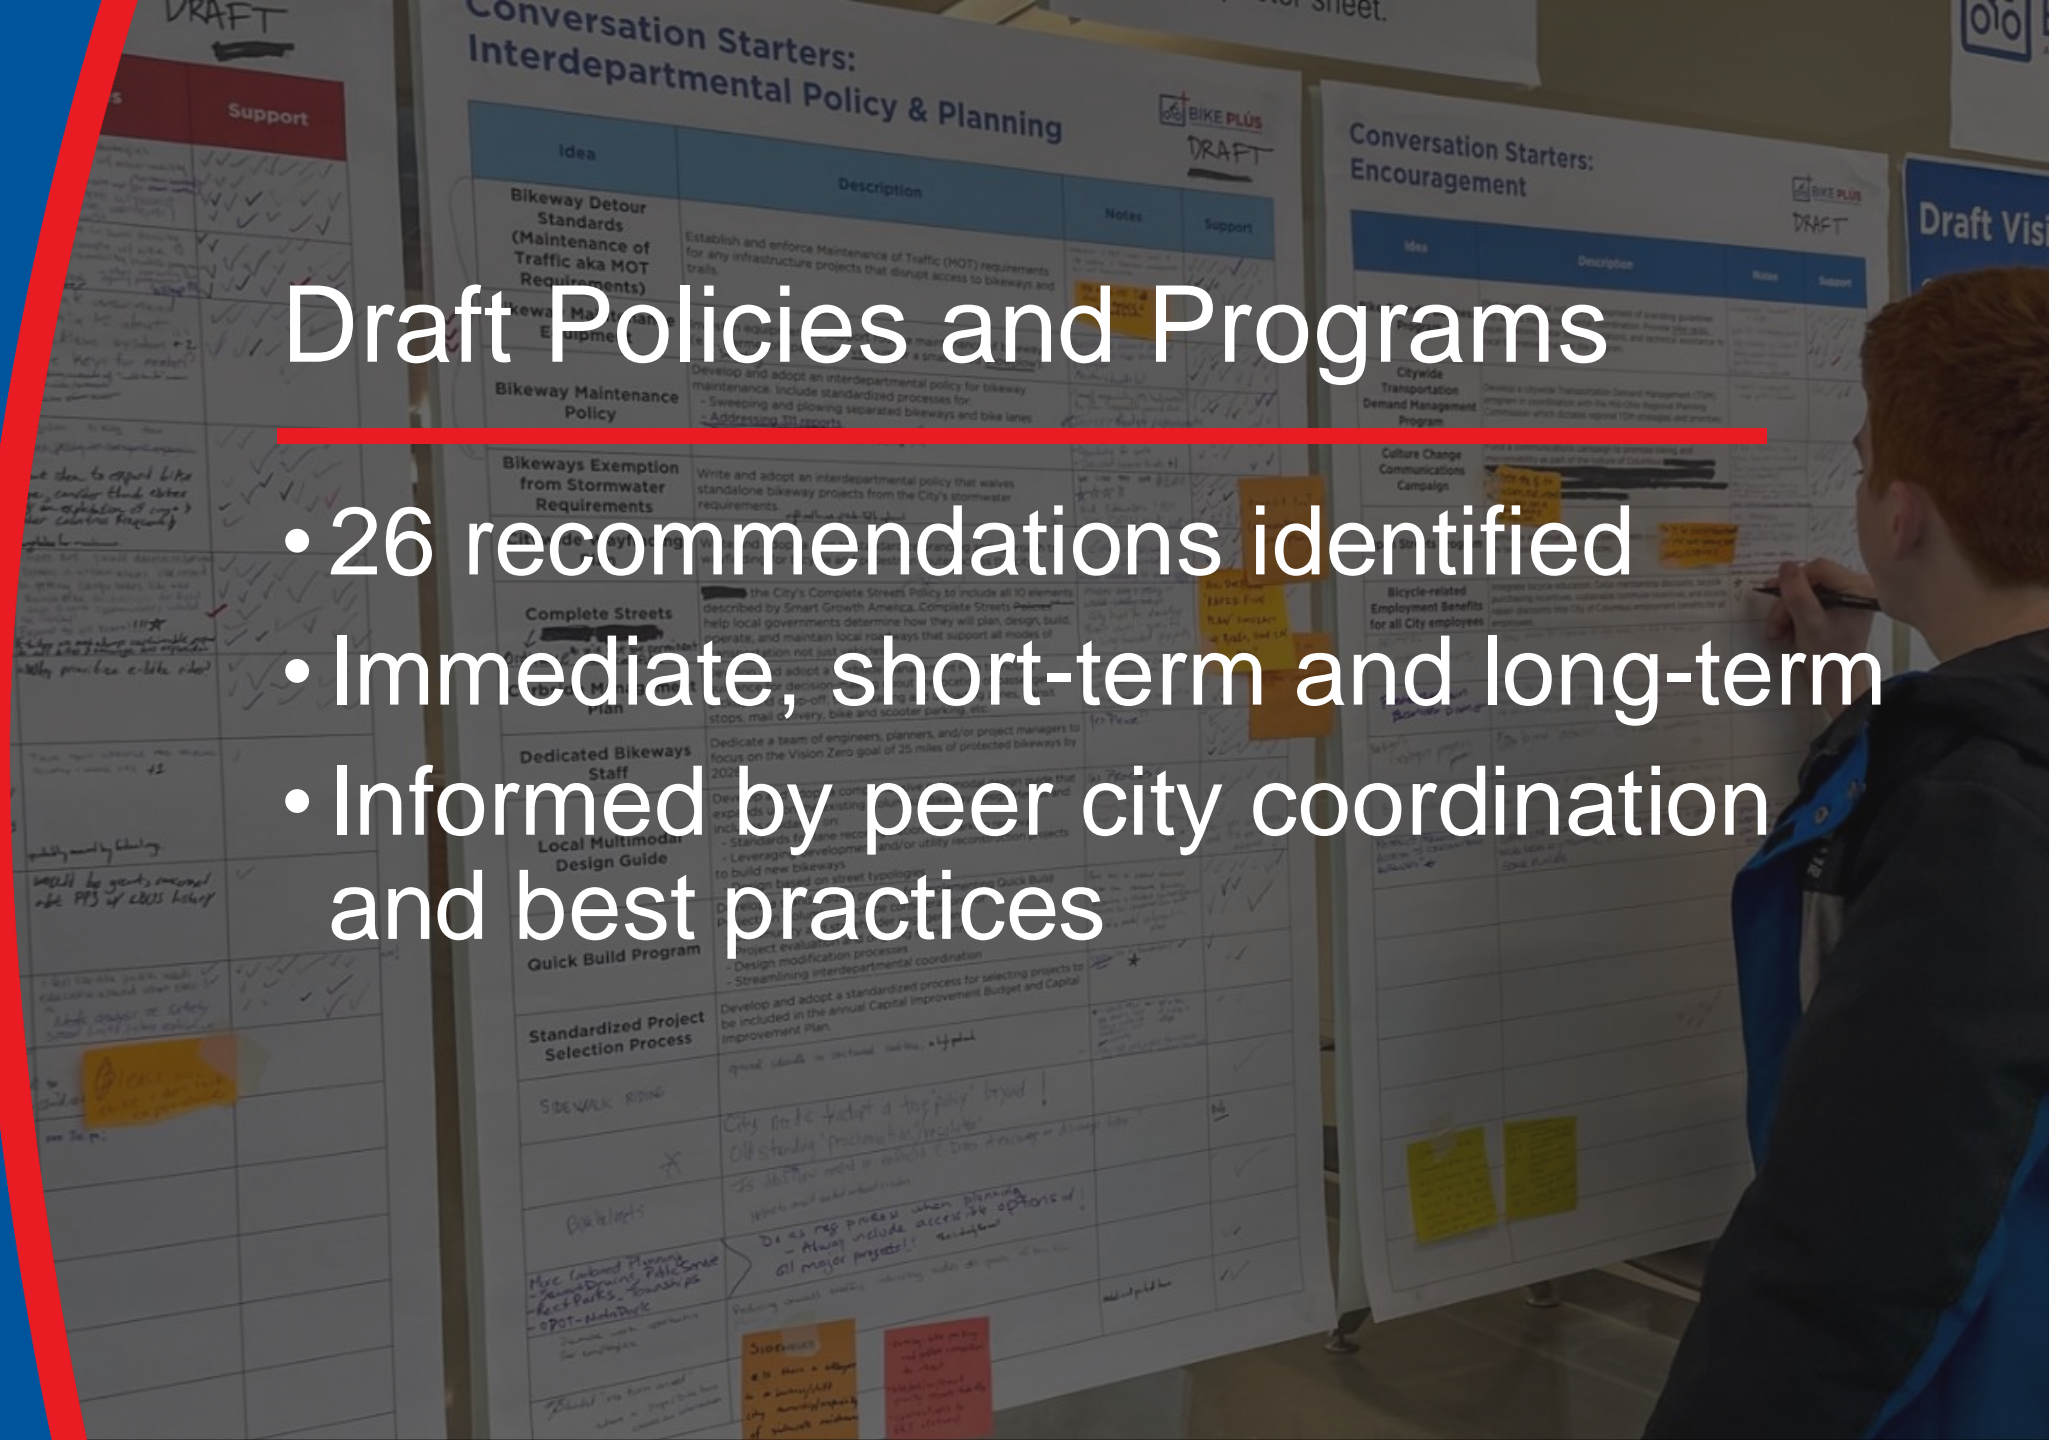

Capital Line

Linden Greenline

Separated Bike Lanes

Draft Policies and Programs

- 26 recommendations identified
- Immediate, short-term and long-term
- Informed by peer city coordination and best practices

Plan next steps

1. Finish draft plan document
2. Present to the public and council
3. Implement!
