NOTICE OF A MEETING

REGIONAL DATA COACHING WORKING GROUP MID-OHIO REGIONAL PLANNING COMMISSION

Remote Meeting

January 9, 2024, 1:30 pm – 2:30 pm

1. Welcome

- Discuss Outcome of Last Meeting
 - Raj Roy confirmed that the two listservs "Regional Data Coaches" and "Regional GIS Coaches" are ready. Non-IT MORPC staff have the ability to update the listservs. The QR code for the listservs has been created and distributed to Working Group Members, and will also be shared with the Data Day attendees. Dave Dixon reported that the Cybersecurity Working Group has specifically asked that QR codes have the source displayed.
- RDAC Comments
 - On January 7, RDAC decided that the Working Group will continue for the foreseeable future, as content will need to be seeded for several months.

2. Data Day Update

- Working Group Members will have the opportunity to announce the listservs before the lunch plenary session. Staff will create a slide to share the QR code with link.

3. Outreach Strategy

- Popup Sessions – due to limited attendance, these events did not perform as expected. Location may be an obstacle. Members and staff brainstormed new locations: City of Hilliard office, MORPC speaking events, Career Fair-type events, Data Day. When the listservs are live, that may be a more effective way to advertise a popup session. Timing is important, possibly at the end of the workday.
- Seeded content for the listserv should start immediately after Data Day. Members and staff will compile seeded content before the next Working Group meeting.

4. Other Business
