

MORPC Traffic Growth Rates Data Requirement

New requirement:

In order to provide a growth rate, **MORPC requires a 24-hour volume counts at the study segments or intersections.**

Count data will be uploaded to MORPC MS2 Traffic Count Database

MORPC Traffic Growth Rates website for more information:

<https://www.morpc.org/traffic-growth-rates/>

MS2 Traffic Count Database

- A repository of traffic counts in central Ohio
- A multi-jurisdictional effort to allow agencies to share traffic count data online with the public, business, and the media
