Fire and EMS

- Representatives from nearly every Fire and EMS in Logan County responded to the Indian Lake area for the hours and days afterwards to assist in the building searches and treatment of injured individuals.

Rebuilding

- In the weeks following more than 100 people assembled in committees to brainstorm ideas to rebuild. These committees were comprised of government officials and citizens interested in helping. Committees were;

- Housing
- Communications
- Economic Development

- Infrastructure
- Business
- Long Term Recovery

Long Term Recovery

- The long-term recovery committee has helped families and individuals in many ways. Financially with donated funds, housing with available monies and donated funds, this committee has assisted with permanent housing needs and assisted in the placement of house trailers for some families.

Partners in recovery

- **St. Vincent DePaul** - House in a Box – so far, we have referred 12 families to receive replacement of all of their household possessions.
- **Bridges** – had a \$50,000 grant in 2024 that assisted with replacing appliances, utility bill assistance, and other services
- **Habitat for Humanity** - 1 new build is under roof now; HFH has completed installing 5 to 7 trailer roofs.
 - **Multiple churches and faith-based organizations**
- **Residential Administrators** - has been a Rock Star in helping locate housing for people in difficult situations.
- **Long Term Recovery** We currently have 28 open cases, with 10 of those being actively in the process of receiving services.

Thank you to all that
helped, donated or prayed
can not be expressed
enough.
