

SFY 2026-2029 TRANSPORTATION IMPROVEMENT PROGRAM

Thomas Graham, MORPC

MID-OHIO REGIONAL
MORPC
PLANNING COMMISSION

What is a TIP?

- Transportation Improvement Program
- Product of the Metropolitan Planning Organization (MPO)
- 4-year program of funded projects & strategies
- Fiscally balanced
- Near-term priorities in the 2024-2050 Metropolitan Transportation Plan (MTP)

MTP vs TIP

MORPC

MTP	vs.	TIP
Both part of the continuing, cooperative & comprehensive (3-C) planning process		
Sets transportation goals & policies through 2050		Identifies specific projects & activities in each year through 2029
Estimates available resources through 2050		Identifies specific funding sources committed to each project & activity
Identifies desired changes to the system (projects) within available resources		Projects <u>must</u> be in the MTP
Updated entirely every 4 years, rarely amended		Updated entirely every 2 years, amended quarterly or more often

TIP Overview

- Local government & ODOT consensus on regional priorities
- Comprehensive listing of transportation projects
 - All federally funded projects
 - All other regionally significant projects
 - Highway, transit, bikeway, & pedestrian modes
- Summary of project scopes, schedules & costs
- Communicates this information to diverse parties
- Needs approval from MORPC, the State, and U.S. DOT
