Community Advisory Committee for Transportation

Membership Application

Thank you for your interest in serving as a volunteer on the Mid-Ohio Regional Planning Commission Community Advisory Committee (CAC) for transportation. The CAC provides one of many opportunities for community members and representatives of groups to influence the transportation planning process in Central Ohio's Metropolitan Planning Organization Area (Franklin County, Delaware County and parts of Union, Licking and Fairfield counties). Key efforts in which the CAC participates include advising on the development of the Metropolitan Transportation Plan, the Transportation Improvement Program and other transportation-related projects.

The CAC represents diverse public opinion on the goals, objectives, policies and plans relating to transportation development. The CAC functions as an advisory group to MORPC by reviewing and providing comment on transportation projects and other matters related to the transportation planning process in the MPO area. In accordance with its advisory role, the CAC advises staff and/or the MORPC Transportation Policy Committee to adopt, modify or reject plans, programs and projects.

If you would like to be considered for membership, complete the following information below and include a copy of your resume or bio, along with a recommendation letter from an organization you represent. All information may be returned via email to bschneck@morpc.org or U.S. Mail :
