

WHO WE ARE

MORPC is Central Ohio's regional council for more than 80 members and community partners. We take pride in bringing communities of all sizes and interests together to collaborate on best practices and plan for the future of our growing region. We do this through a variety of programs, services, projects, and initiatives that help improve the quality of life for everyone in the Central Ohio region.

MORPC SERVICE AREA

WHAT WE DO

- Serve as Central Ohio's information, resource, and data hub and leadership forum for shared regional challenges and best practices.
- Convene local governments and regional partners to plan, prioritize, and advance strategic transportation and infrastructure projects and investments.
- Provide data tools, insights, and technical assistance for sustainability programs, growth planning, residential services, and shared solutions.

OUR AGENDA

The 2023-2024 Public Policy Agenda reflects the needs and interests of our diverse membership. The agenda was developed by a working group of local governments, businesses, non-profits, and other regional partners, chaired by Columbus City Councilmember Lourdes Barroso de Padilla. It also included members of MORPC's Regional Policy Roundtable, chaired by City of Lancaster Mayor David Scheffler, which directs our public policy and advocacy priorities. This collaborative agenda details policy that makes Central Ohio a better place for all of its residents and actions that address racism and eliminate disparities.

We encourage leaders in Washington and Columbus to work together using this agenda and MORPC's government affairs team as resources.
